### Date of birth

1998-12-20

## Summary

- I am a second year full time student of the Queensland University of Technology (QUT). During my time at University I have proved myself to be a hardworking and dedicated student who is able to consistently achieve high grades. I am a strong worker weather independent or in a group. I am always motivated to do tasks I am presented with on time and to the best of my abilities.

## Education

2010 -  
2015

- Ferny Grove State High School**  
I completed a full 12 years of school graduating from Ferny Grove State High School. During my time at school I completed subjects such as:
  - Mathematic B
  - English
  - Physics
  - Graphics
  - German
  - Science 21 (a broad subject of all sciences)

2016 -  
present

- Bachelor of Information Technology at Queensland University of Technology (QUT)**  
I have also completed one year of a three year degree of a Bachelors of Information Technology at the Queensland University of Technology. I have been able to attain consistently high grades for all my subjects throughout my studies so far.

## Skills and Abilities

- Computer Skills:**
  - Microsoft Programs (Word, Excel, PowerPoint, Publisher)
  - Coding (Java, JavaScript, HTML, C#, C++, Python, C)
    - Languages (Java, JavaScript, HTML, C#, C++, Python, C)
